**USDA NRCS**

258 Center Drive  
Glenwood Springs, CO 81601

NRCS is holding a series of public input sessions to ensure that customers and partners have the opportunity to share their natural resource conservation concerns, priorities and suggestions for program improvement and direction.

Join the discussion and share your expertise to help guide the delivery of the 2008 Farm Bill conservation programs in Colorado.

***If you plan to attend the Colorado River input session, please contact the NRCS Glenwood Springs Field Office at 970-945-5494 or email [Dennis.Davidson@co.usda.gov](mailto:Dennis.Davidson@co.usda.gov).***
